DIRECTIONS AND PUBLIC TRANSPORTS

Conference venue

Plenary and parallel sessions will take place in the Bovisa campus of Politecnico di Milano.

The address is: via Raffaele Lambruschini 4. It's easy to find the buildings by the number (the sessions will be in BL.27 and BL.26 buildings).

The campus can be easily reached through the urban railway network (stations: BOVISA POLITECNICO or VILLAPIZZONE – see map). One-way ticket (€ 1.50) allows you to take trams, buses, train, underground in the city as much as you want within 90 minutes (yet only one journey in the underground and in the train are allowed). Here you can find a map of the underground/train network in Milan.

Social events

See on second page for details about the venue of the welcome cocktail (Monday 25th) and the social dinner (Tuesday 26th).
Airports

Trains connect regularly BOVISA POLITECNICO Station with Malpensa Airport (MXP) Terminals 1 and 2, in less than 40 minutes. Ticket: € 13 one way, € 20 return. Timetable and e-tickets here. Taxi can be expensive!

Linate Airport (LIN) is the city airport. With the urban ticket (€ 1.50) take bus 73 to downtown and then to your final destination (or take the taxi).

From Orio Airport (BGY) take shuttle buses to Central Station, Milan, (tickets one-way about € 5) and then connect with the transport network. Take into account 50 minutes from Central Station to Orio Airport.

Lodging

We do not recommend any particular hotel. We suggest not to look for a hotel close to the conference venue. We suggest to find a place close to the train stations (Cadorna station in downtown, which is only two train stops from Politecnico; Garibaldi station, which is only three stops from Politecnico; Central station).

Any question???? We will be happy to assist you: entfin2018@polimi.it
